

The Leader's Life & Work

God useth to fit men for great works,
before he employs them as his
instruments in accomplishing them.

~ Richard Baxter

THE LEADER'S LIFE & WORK

1. Understand the relationship between ministry calling & leadership competency.
2. Understand the biblical foundations of leadership as found in the scriptural motifs of shepherding and servanthood.
3. Identify coaching principles and practices that will assist in their ongoing personal life-management and development.
4. Engage and thoughtfully reflect on biblical texts for the purpose of identifying sound implications for leadership character development and praxis.
5. Appreciate and emulate personal character traits in contemporary and historical leaders.
6. Understand how their leadership success relates to other areas of leadership in their community and the world.

MY PRESUPPOSITIONS

1. Reflection & practice & reflection on practice are essential.
2. Teach in a linear fashion, but life is lived dynamically.
3. The older I get the more I live with tension (Divine sovereignty/human responsibility). (John 15:5/Proverbs 14:23)
4. Axioms: Relationships precede everything.

- Where are we going?

LeaderLifeAndWork.com — MINS10 The Leader's Life & Work

WHERE WE ARE GOING

1. Leadership:
What it is and what it entails.
2. Self-leadership:
Taking care of ourselves to care for the work God has given us.
3. Biblical perspective:
"No theology, no leadership."
